

A scenic view of a resort building with a marina full of boats at dusk. The building is a large, multi-story structure with a prominent gabled roof and a stone chimney. The marina is filled with several white motorboats docked at a wooden pier. The water is calm, reflecting the sky and the buildings. The sky is a deep blue with some light clouds. The overall atmosphere is peaceful and scenic.

2023 Alabama Environmental Health Association Annual Education Conference Agenda

December 5-8, 2023

**Joe Wheeler State Park
4401 McLean Drive
Rogersville, Alabama 35652**

Mission of AEHA:

Serving the people of Alabama by assuring conditions in which they can be healthy.

Providing continuing education to enhance skills while promoting high standards, professionalism, cooperation among government, industry, and academia in environmentally related areas.
