Silent Auction Donation Request

**AEHA Annual Education Conference
Lake Guntersville State Park Lodge
1155 Lodge Dr. Guntersville, AL 35976
October 29-31, 2025**

The Alabama Environmental Health Association (AEHA) is holding its Annual Education Conference (AEC) in October 2025. This event brings together environmental health professionals from across Alabama to participate in 3 days of training and an exhibition of current public health and environmental topics. The AEC draws an average of 125 attendees and offers opportunities for our members to learn about new technologies and events related to the environmental health field.

During the AEC we hold a silent auction, the proceeds from which go entirely to the AEHA scholarship fund. Our goal with this scholarship is to increase awareness of, and encourage participation in, the profession of environmental health.

Each year AEHA awards the \$1,000.00 scholarship to a junior or senior undergraduate student. The scholarship is a one-time award and includes an honorary membership in AEHA for one year. The award is not based strictly on financial need and there are no restrictions on its use.

Any items or dollar amount you wish to donate will be most welcome and all donors will be recognized on our website and at the annual conference.

Thank you in advance for your generosity.

Sincerely,

Jeremy Bryant
