Silent Auction Donation Request **AEHA Annual Education Conference** **Auburn Marriott Opelika at Grand National** **Opelika, Alabama** **October 14, 2026 – October 16, 2026**

The Alabama Environmental Health Association will be having its Annual Education Conference in October 2026. This event brings together environmental health professionals from across Alabama to participate in a 3-day training and exhibition of current public and environmental topics. The Annual Education Conference is attended by an average of 120 “health inspectors” and offers opportunities for our members to learn about new technologies and events related to the environmental health field.

The other purpose for this conference is to raise money for our scholarship fund. Why donate to this silent auction scholarship fund? The Alabama Environmental Health Association presents a student award each year to a junior or senior undergraduate student. We are pleased to announce that this scholarship is awarded in the amount of \$1,500.00. Our goal is to increase awareness and encourage environmental health as a career field.

This is a one-time award, presented at the Alabama Environmental Health Association’s annual conference. The award also includes an honorary membership to AEHA, Inc. for one year. The award is not based strictly on financial need and there are no restrictions for its use.

Any amount or items you donate will be most welcome.

Thank you in advance for your generosity! All donors will be recognized on our website and at the annual conference.

Sincerely,

Blair Thompson
President Elect
